2016 PIONEER OF THE YEAR DONNA LANGLEY

2016 PIONEER OF THE YEAR

Welcome

On behalf of the Board of Directors of the Will Rogers Motion Picture Pioneers Foundation, thank you for attending the 2016 Pioneer of the Year Dinner. This is our 75th annual dinner, and this evening's honoree Donna Langley, is a most-deserving one.

The Pioneer of the Year award is bestowed upon an esteemed and respected member of the motion picture industry whose corporate leadership, service to the community and commitment to philanthropy is exceptional.

Tonight we honor a visionary leader, a proven champion of the motion picture art form, and a woman who gives tirelessly of herself to our industry and to philanthropic causes—Donna Langley.

The Pioneers Assistance Fund is the only industry program that provides both short-term and Quality of Life grants (long-term) to veterans of the motion picture industry who are encountering an illness, injury, or life-changing event.

Thank you for donating generously to our industry charity-hopefully you will never have reason to call on the Pioneers Assistance Fund, but should the need arise we will be here to help.

Please enjoy yourself tonight as we pay tribute to a true pioneer.

Chietgel W. Grons

President

Chairman of the Board

The complete Pioneer of the Year Tribute Journal will be available for download on our website, www.wrpioneers.org/2016dinner. Thank you to all our sponsors.

Renewable resources were used to produce this printed piece. A donation will be made on behalf of Donna Langley and the Will Rogers Motion Picture Pioneers Foundation to American Forestry.

2016 PIONEER OF THE YEAR

Pioneering Spirit

DONNA LANGLEY was named Chairman of Universal Pictures in September 2013. She oversees all aspects of Universal's production, marketing and distribution operations worldwide, including the studio's global specialty division, Focus Features. Langley has been with Universal since 2001, starting as Senior Vice

President of Production and subsequently serving as President of Production and Co-Chairman before her promotion to Chairman.

Under Langley's leadership, Universal has evolved to break numerous industry records, with 2015 marking the highest-grossing domestic, international and worldwide box office of any single year in any film studio's history. Last year became the first time any studio has had three films cross \$1 billion at the worldwide box office, with *Furious 7*, *Jurassic World*, and *Minions* all reaching that milestone.

During her 15-year tenure, Langley has reinvigorated and expanded some of the most lucrative and popular franchises in Universal's 104-year history. In addition to shepherding the seven films in the *Fast & Furious* series, which have grossed more than \$3.9 billion, and the five movies in the juggernaut *Bourne* series, she has presided over the studio's biggest and most profitable franchises. These include *Pitch Perfect, Despicable Me, Fifty Shades of Grey, Ride Along, The Purge, Meet the Parents, Neighbors, Ouija, Ted* and *Snow White and the Huntsman*. She has also overseen diverse hits such as the Academy Award®-winning Les Misérables, A Beautiful Mind, Ray, and King Kong, as well as Cinderella Man, Seabiscuit, Munich, Mamma Mia!, Knocked Up, Bridesmaids, Wanted, Safe House, Dr. Seuss' The Lorax, Mama, Lone Survivor, Lucy, Unbroken, Trainwreck and Straight Outta Compton.

Langley began her career at New Line Cinema, where she served as Senior Vice President of Production before joining Universal in 2001. While at New Line, she worked on films including those that comprised the hit *Austin Powers* franchise, as well as *The Cell* and *Drop Dead Gorgeous*.

She was named *The Hollywood Reporter's* Executive of the Year in 2015 and has been regularly featured in the publication's Top 100 Women in Entertainment issue. Langley is an Ambassador for Vital Voices Global Ambassadors Program, a partnership between Vital Voices Global Partnership and Bank of America, and also serves on Vital Voices Board of Directors. She is on the advisory board of Chrysalis and was a key founder of *The Hollywood Reporter's* Women in Film Mentorship program. A voting member of the British Academy of Film and Television Arts and the Academy of Motion Picture Arts and Sciences, she serves on the Board of Trustees for the American Film Institute.

A native of the United Kingdom, Langley lives in Los Angeles with her husband and their two sons.

A Night to Remember

ALICIA QUARLES

It's easy to see why celebrities readily open up to Alicia Quarles. Quarles' wideranging talents have led her to anchoring live coverage from the red carpet of the Academy Awards, to covering the White House Correspondents Dinner, to being on the field reporting from several Super Bowls, to interviewing at the Cannes Film Festival for outlets such as: MSNBC, The Today Show, The Associated

Press, People/Time Inc., Headline News and VH1. Quarles spent three years at E! News where she served as the lead correspondent based in New York. During her time with E! she reported live from major red carpets such as the Oscars, Grammys and Emmys. In addition, she cohosted specials, fill-in anchored, created programming and broke news across formats.

Quarles joined E! from The Associated Press where she was the Global Entertainment and Lifestyles Editor, overseeing a staff of more than 60 people. Quarles has traveled the globe for exclusive interviews with some of pop culture's most fascinating names. She was also integral in covering President Obama's Inaugurations, the death of Michael Jackson and its aftermath, and the Supreme Court confirmation hearings of Sonia Sotomayor.

She has had nothing short of a meteoric rise since graduating summa cum laude from the University of Southern California. After graduation, Quarles accepted a position with Associated Press Television as an entertainment reporter and producer in Los Angeles. While there, she covered newsworthy events such as the Grammys, Academy Awards, Billboard Awards, death of President Reagan, and the Golden Globes.

Quarles has garnered respect, admiration and genuine affection from her peers, top publicists, managers and other key players in the industry. She has won her reputation with her sterling work, her gregarious nature and her determination to be the best, and to put out the best work.

CHARLIZE THERON

South African-born and Oscar-winning actress Charlize Theron is one of the most celebrated actresses of our time, captivating audiences with her ability to embody a range of characters. Over the years, Charlize has appeared in numerous films including *The Devil's Advocate, The Cider House Rules*, the critically acclaimed film *Monster*, for which she won an Academy Award,[®] a Golden Globe, a Screen

Actors Guild Award and an Independent Spirit Award; *North Country* for which she was nominated for an Academy Award,[®] a Golden Globe, a Screen Actors Guild Award and a Critics Choice Award; HBO's *The Life and Death of Peter Sellers* for which she received a Golden Globe, Screen Actors Guild and Emmy nominations. Charlize also appeared in *Snow White and the Huntsman, A Million Ways to Die in the West;* and recently in the Warner Bros' Academy Award[®]-winning film *Mad Max: Fury Road* and *Dark Places* based on the best-selling novel by Gillian Flynn. She is currently filming *The Coldest City* and can next be seen in *The Last Face* and *The Huntsman: Winter's War* expected in theaters in 2016.

In addition to her acting success and principal involvement with her production company Denver & Delilah, Charlize serves as a United Nations Messenger of Peace and founder of the Charlize Theron Africa Outreach Project (CTAOP). CTAOP's mission is to prevent and protect African youth from HIV/AIDS through its support of on the ground and community-engaged organizations.

MAT FRANCO

As the first and only magician ever to win NBC's "America's Got Talent," Mat Franco takes an innovative approach to magic-making that's driven by pure joy. Almost entirely self-taught, the 27-year-old Rhode Island native began developing his own shows before the age of ten and took the stage at the Riviera Hotel & Casino in Las Vegas by the time he was 15. With an improvisation-

fueled and humor-laced performance style partly honed through his years as a hugely in-demand college act, Franco returned to Las Vegas in 2015 to star in his very own live stage production, "Magic Reinvented Nightly" at The LINQ Hotel & Casino in Las Vegas. Following the successful debut of his first-ever TV special "Mat Franco's Got Magic" on NBC, the world-class magician continues to strive to delight and create a unique experience for each audience he meets.

Congratulations Donna Langley and Will Rogers Motion Picture Pioneers – What A Special Evening!

NATO and CinemaCon are pleased to join the Will Rogers Motion Picture Pioneers Foundation in recognizing Donna Langley for her extraordinary leadership and dedication to the industry. We are pleased to support this evening's dinner in her honor, as exhibition and distribution leaders come together to celebrate the moviegoing experience.

The Pioneer of the Year dinner allows us to unite as an industry to raise money for a great cause. The Will Rogers Motion Picture Pioneers Foundation is a very important charity to NATO and CinemaCon, and we are thrilled to welcome Donna to the list of Pioneer of the Year honorees. Donna is the perfect recipient of this honor because her passion for charitable causes matches her passion for generating strong box office. The fact that Universal shattered many industry records in 2015 is just icing on the cake.

We look forward to continuing this great tradition in future years!

Congratulations, Donna

2016 Pioneer of the Year Dinner

THE PIONEERS ASSISTANCE FUND IS A PROGRAM OF THE WILL ROGERS MOTION PICTURE PIONEERS FOUNDATION THAT PROVIDES FINANCIAL ASSISTANCE AND SUPPORTIVE COUNSELING TO ELIGIBLE MEMBERS OF THE MOTION PICTURE ENTERTAINMENT INDUSTRY (EXHIBITION,

DISTRIBUTION AND TRADE SERVICES).

2016 PIONEER OF THE YEAR

Helping their own...

THE PIONEERS ASSISTANCE FUND has traveled a rewarding path since its beginnings in 1939 as a group of industry personalities who gathered once a year to meet old friends socially. The stated goal of the organization remains the same: "To establish a self-perpetuating fund to assist pioneers of the motion picture industry who find themselves in need; the assistance to consist of direct financial aid, medical care and temporary business subsistence during periods of unemployment and unfortunate circumstances to eligible applicants."

In 1951 the organization formalized its purpose, its meaning and its direction, and was determined to provide a helping hand to all veterans of the motion picture industry who needed financial aid and assistance.

The rest is history. Since that time, the Pioneers Assistance Fund (PAF) has used available funds to further its outstanding record of helping industry veterans in need of financial or medical aid. Understandably, many of the cases must be handled in a delicate manner and confidentiality is of the utmost importance. Often, concerned members of the PAF play a vital role in seeking out those who need assistance but who are not yet aware of this program, an effort through which Pioneers truly are helping their own. When an individual is identified as one in need of help, the Pioneers Assistance Committee moves into action, selflessly devoting hours into an investigation of the person's background and unique situation.

The PAF works in such an unassuming manner that its acts of quiet generosity are often hidden, eclipsed by the desire to maintain anonymity and preserve the dignity of those whom it helps. The PAF has sought little publicity and has shied away from the limelight. The appreciation of those in need is the most treasured reward possible, and the letters of thanks are most heartwarming.

The PAF wants all industry veterans who fall on tough times to know that they have a ready and efficient source of aid in times of emergency and distress.
