WITHOUT ALL THE

A TRADITION OF SUPPORT.

It's easy to help

Partner with WRMPPF and help us save the lives of premature infants. Easy fundraising tools can be sent directly to your theater and help from Will Rogers staff is a phone call away.

A FUTURE OF POSSIBILITIES.

Get rewarded

Each summer over 500 theatres around the U.S. raise funds for our Neonatal Program. The theatre that raises the most funds this summer will be featured in the Will Rogers Newsletter and receive thank you gifts for theater managers.

Brave Beginnings

A rural hospital receives a grant to purchase lifesaving equipment to give premature babies a better chance at survival.

Fundraising

Theatres all over the U.S. raise money during our summer campaign for Brave Beginnings.

Donations

Industry members donate to the Pioneers Assistance Fund to help others within the industry in times of need.

Assistance

A theatre manager's wife can't work during cancer treatment. PAF pays their mortgage until they get back on their feet.

Connect with us

With your help so far we have provided more than \$3.9 million to 80 underfunded hospitals across the United States to purchase life-saving equipment.
